

Sell Your Soul

The Creepshow

sell!!!

your!!!

soul!!!

everyone except yourself is to blame
you say your not satisfied well ok
well you can linger on
like a lifeless little pawwn
or you can have it all
everything you crave

money ,pleasure wrapped in leather
fortune and fame

sell your soul

everything inside yourself is rotting away
you allmost hit rock bottom
and youve withered again
so you can linger on
as a lifeless little pawwn
or you can have it alll
everything you crave

money .pleasure wrapped in leather
fortune and fame

sell your soul

*so you made a deal with the devil
and now your soul is mine you
sold it for eternity you signed
that dotted line you will taste the
bullet of another gun when it comes
down to the end

ill see you in hell my friend*

everything except yourself is to blame
again you say your not satisfird
what will it take?
well you can have it all
