

Float

KO KO

Now i dont know if im lost
but this all just looks the same

 i am pushing on the door
 between sorrow and fame

I would crawl out of this hole

 If it wasnt so cold

 In the morning ill be fine

In the morning ill be rightIf i go all the way

 then the girl wont stay

 no the girl wont stay

 i know i can change

If we both get old will you let me float awayI dont want to be young

 but i dont want to die

 i can whisper in the wind

 we can smoke out every night

 i dont want to live alone

 i dont want to stay inside

 i can learn from my mistakes

In the morning ill be rightIf i go all the way

 then the girl wont stay

 no the girl wont stay

 i know i can change

If we both get old will you let me float awayRa da da Ra da da da da 8xIf i go all the way

 then the girl wont stay

 then the girl wont stay

 i know i can change

If we both get old will you let me float away
