

Goodbye

Miley Cyrus

I can honestly say you've been on my mind
Since I woke up today, up today
I look at your photograph all the time
These memories come back to life
And I don't mind

I remember when we kissed
I still feel it on my lips
The time that you danced with me
With no music playing
I remember the simple things
I remember til I cry
But the one thing I wish I'd forget
The memory I wanna forget
Is goodbye

I woke up this morning
And played our song
And throwing my tears, I sang along
I picked up the phone and then put it down
Cause I know I'm waisting my time
And I don't mind

I remember when we kissed
I still feel it on my lips
The time that you danced with me
With no music playing
I remember the simple things
I remember til I cry
But the one thing I wish I'd forget
The memory I wanna forget

Suddenly my cell phone's blowing up
With your ringtone
I hesitate but answer it anyway
You sound so alone
And I'm surprise to hear you say

You remember when we kissed?
You still feel it on your lips?

The time that you danced with me
With no music playing?
You remember the simple things
We talked til we cried
You said that your biggest regret
The one thing you wish I'd forget
Is saying goodbye
Saying goodbye
Goodbye
