Watching The Clock (ft. Laura Brehm)

Approaching Nirvana

I'm sinking under the weight of the water
Ease up, I'm ready to float again.
Seems like the world's neglecting to move; not asleep or sound.
And I watch the clock turn,
watch the clock churn... down.I liked the Sun when its gaze was hotter.
For a time, darkness remained unseen.
Now I feel the shadows hunt for my mind, Am I asleep or sound?
But I'll watch the clock turn,
watch the clock churn... down.And I watch the clock turn,
watch the clock turn,
watch the clock turn,
watch the clock turn...
And I watch the clock turn,
watch the clock turn,
watch the clock turn,
watch the clock turn...I'm sinking under the weight of the water
Ease up, I'm ready to float again.
Seems like the world's neglecting to move; not asleep or sound.
And I watch the clock turn,
watch the clock churn... down.
