

# Witness (Oscar Dylan Remix)

Katy Perry

[Katy Perry]

If I lost it all today...would you stay?  
Would my love be enough, to stimulate?  
Shit hit the fan, grenades got thrown  
(Would you still show, oh...)  
Could you go down with me, to the night  
Could we get back up beneath, eventually love? Oh, I get myself tonight  
I get myself tonight, oh  
Oh, I get myself tonight We are just looking for connection  
Yeah we all want to be seen  
I'm looking for someone who speaks my language  
Someone to ride this ride with me  
Can I get a witness, witness  
Will you be my witness, witness  
I'm just looking for a witness in all of this  
Looking for a witness to get me through this When you tell me everything, there's no holes  
You can scroll through anything, you've got the codes  
Nothing to hide, it's all in their eyes  
(And we just know, oh) Oh, I get myself tonight...  
I get myself tonight, oh  
Oh, I get myself tonight... We are just looking for connection  
Yeah we all want to be seen  
I'm looking for someone who speaks my language  
Someone to ride this ride with me  
Can I get a witness, witness  
Will you be my witness, witness  
I'm just looking for a witness in all of this (Looking for a witness to get me through this...)
