Sing For Me

Yellowcard

Look at me and listen close
So I can tell you, how I feel before I go
Just a year, it's not much time
For me to show you, I am proud that you are mine
I wish I had known
The future in my heart
Was just about to start
Say tomorrow, I can follow you there
Just close your eyes and sing for me
I will hear you, always near you
And I'll give you the words, just sing for me
Every lock on every door
I put them there to try and hide you from the world
And you kicked, yeah, you screamed
You never understood you're everything to me
I just hope you know
The future in your heart
Is just about to start
Say tomorrow I can follow you there
Just close your eyes and sing for me

I will hear you, always near you
And I'll give you the words, just sing for me
No looking back when I am gone
(Sing for me)
Follow your heart it's never wrong
(Sing for me)
No looking back when I am gone
(Sing for me)
Don't second guess the note you're on
Out of time, all out of fight
You are the only thing
In life that I got right
Say tomorrow, I can follow you there
Just close your eyes and sing for me
I will hear you, always hear you
And I'll give you the words, just sing for me
Just close your eyes and sing for me
(Sing for me)

Just close your eyes and sing for me
