

# Falling

## Keahiwai

I wanna tell you baby, that you're the one I'm thinking of  
But your heart is still with her and I think she's the one that you love

I only want you happy even if it's not with me

And maybe one day you'll open up your eyes and you'll see I think I'm falling, maybe I'm falling for you

Yeah I think I'm falling, baby I'm falling for you From the first time you laid your lips on mine

It feels like the smile on my face will last 'til the end of time

But I'm not so sure if you're the one that I should pursue

My mind tells me no but my heart only says that it's you I think I'm falling, maybe I'm falling for you

Yeah I think I'm falling, baby I'm falling for you Only time will tell, the mystery has yet to unfold

Who's gonna feel love's warmth, and the other left in the cold Yet still I'm falling, maybe I'm falling for you

Yeah I think I'm falling, baby I'm falling for you And I think I'm falling, maybe I'm falling for you

Yeah I think I'm falling, baby I'm falling for you
