Brian wilson/andy paley/andy dean Tonight I'll drive home all alone

And maybe later we'll talk on the phone

But it takes a little more to get me through

If we can't get together here's what we'll do

Hold on And meet me in my dreams tonight

Baby close your eyes and hold on tight

Sleep in my arms until the mornin' light

Meet me in my dreams tonight I've been waitin' all day

Now I won't let nothin' stand in my way

'cause I just can't wait to see your face

At the usual time and the usual place

Hold on And meet me in my dreams tonight

Baby close your eyes and hold on tight

Sleep in my arms until the mornin' light

Meet me in my dreams tonight Oh lullabye (bye) baby (bye)

Goodnight (bye) baby (bye)

Oh lullabye (bye) baby (bye)

Goodnight (bye) baby (bye)

La-hullabye (bye) baby (bye)

Goodnight (bye) baby (bye) Gotta get together gotta really try

There's a wonderland waitin' for you an i

Hold on hold on Meet me in my dreams tonight

Baby close your eyes and hold on tight

Sleep in my arms until the mornin' light

Meet me in my dreams tonight Meet me in my dreams tonight

Baby close your eyes and hold on tight

Sleep in my arms until the mornin' light

Meet me in my dreams tonight Meet me in my dreams tonight

Baby close your eyes and hold on tight

Sleep in my arms until the mornin' light

Meet me in my dreams tonight Meet me in my dreams tonight

Baby close your eyes and hold on tight

Sleep in my arms until the mornin' light
