

Best I've Ever Had

Amina Buddafly

I don't care what you say
i love you and you love me
not that you , dont know it yet
but sometimes you be acting up
 like you would let me go
but I know that would never happen
Cause if you leave me , ima kill you
 then i would feel so depressed
 then i would have to kill myself
and that would bring us together again
if we believe in heaven , but we dontso I gotta let you live and keep up my hope
 that you continue to give me all that I know know know know to be
 the best i ever had
