All Dressed Up

Plain White T's

Well, I'm all dressed up and I got no place to go
My friends don't answer when I call them on the phone
And I got no car, so I am stuck at home
Till someone picks me up, I will be all aloneAnd my heart is breaking, and my back is aching
And I know you wanna be there for me
I know that you're the ride I need but you won't come over
'Cause you think it's over, you might just be right hereBut I'm all dressed up and I wanna hit the town
The lights are shinning as bright when I'm not around
So, if you get my call and you're in the neighborhood
Stop by and say goodbye and do us both some goodAnd my heart is breaking and my back is aching
And I know you wanna be there for me
I know that you're the ride I need but you won't come over
'Cause you think it's over you might just be right here
But I'm all dressed upWell, I'm all dressed up and I have no place to go
My friends don't answer when I call them on the phone
And I got no car, so I guess I'm stuck at home
Till someone picks me up, I will be all aloneAnd my heart is breaking, and my back is aching
And my hands are shaking, this is my life in the making
And I know you wanna be there for me
I know that you're the ride I need but you won't come over
'Cause you think it's over you might just be right hereAnd I know you wanna be there for me
You know that you're the ride I need but you won't come over
Because you think it's over, you might just be right here
But I'm all dressed up
