God! Show Me Magic

Super Furry Animals

I had a soul transplant operation
'Coz my bypass didn't function
So now, I'm keepin' on my toes
'Til I see your one man showShow me magic
Show me magic
Show me magic
Show me madWouldn't it be nice to know
What the paper doesn't show?
What the TV doesn't say
And what my hamster's ate today?Show me magic
Show me magic
Show me magic
Show me madGod, show me magic
God, show me magic
God, show me magic
God, show me madShow me magic
Show me magic
Show me magic
Show me magic
