

# God! Show Me Magic

## Super Furry Animals

I had a soul transplant operation  
'Coz my bypass didn't function  
So now, I'm keepin' on my toes  
'Til I see your one man show Show me magic  
Show me magic  
Show me magic  
Show me mad Wouldn't it be nice to know  
What the paper doesn't show?  
What the TV doesn't say  
And what my hamster's ate today? Show me magic  
Show me magic  
Show me magic  
Show me mad God, show me magic  
God, show me magic  
God, show me magic  
God, show me mad Show me magic  
Show me magic  
Show me magic  
Show me magic
