

All God's Children

Delirious

Light will come to those who wait
From the shadows souls awake
For these are the days
When the nations will bow at the coming King
All our kingdoms fall with the mountains
And our empires crash into the sea
For these are the days
When the nations will rise for the coming King
All God's children we will sing hallelujah, hallelujah
All God's children we will sing hallelujah, hallelujah
Hope will come to those who wait as the heart of heaven
breaks
For these are the days
When the least of us all see the coming King
For these are the days
When injustice will fall at the coming King
All God's children we will sing hallelujah, hallelujah
All God's children we will sing hallelujah, hallelujah
All God's children we will sing hallelujah, hallelujah
Hallelujah, hallelujah, hallelujah, hallelujah
Hallelujah, hallelujah, hallelujah, hallelujah
There will come a day when all will fall away
We'll be singing hallelujah
There will come a day when this all will fall away
We'll be singing hallelujah
All God's children we will sing hallelujah, hallelujah
All God's children we will sing hallelujah, hallelujah
Hallelujah, hallelujah, hallelujah, hallelujah
