I'm Good

The Mowgli's

I'm good
I'm good I'm good I'm good
Living life just like I should
Wouldn't change it if I could
I'm good I'm good I'm goodTrying to figure out who I am
Or who I'm supposed to be
Feel good about where I stand
So I can make the most of me, I'm
Coming back down from space
A million miles away
There's a lot of love in this place
And I'm just trying to say(X2)
I'm good
I'm good I'm good I'm good
Living life just like I should
Wouldn't change it if I could
I'm good I'm good I'm goodIt's been a long time living this way
Worrying what people say
Feeling like I don't fit in
But I won't give up
No, I won't give inBeen looking for something more
What you really looking for
It's been with you since you were born
Since you were born, yeah(X2)
I'm good
I'm good I'm good I'm good
Living life just like I should
Wouldn't change it if I could
I'm good I'm good I'm good(X2)
You only live once
I'm good by myself
I'm there for my friends
Until the very endI want to see another love revolution
Found a way to be a better person
If we come together like we should
We could all be good(X3)
I'm good
I'm good I'm good I'm good
Living life just like I should

Wouldn't change it if I could
I'm good I'm good I'm good
