

# I'm Good

## The Mowgli's

I'm good  
I'm good I'm good I'm good  
Living life just like I should  
Wouldn't change it if I could  
I'm good I'm good I'm good Trying to figure out who I am  
Or who I'm supposed to be  
Feel good about where I stand  
So I can make the most of me, I'm  
Coming back down from space  
A million miles away  
There's a lot of love in this place  
And I'm just trying to say(X2)  
I'm good  
I'm good I'm good I'm good  
Living life just like I should  
Wouldn't change it if I could  
I'm good I'm good I'm good It's been a long time living this way  
Worrying what people say  
Feeling like I don't fit in  
But I won't give up  
No, I won't give in Been looking for something more  
What you really looking for  
It's been with you since you were born  
Since you were born, yeah(X2)  
I'm good  
I'm good I'm good I'm good  
Living life just like I should  
Wouldn't change it if I could  
I'm good I'm good I'm good(X2)  
You only live once  
I'm good by myself  
I'm there for my friends  
Until the very end I want to see another love revolution  
Found a way to be a better person  
If we come together like we should  
We could all be good(X3)  
I'm good  
I'm good I'm good I'm good  
Living life just like I should

Wouldn't change it if I could  
I'm good I'm good I'm good
