

Beautiful Day for Goodbye

[George Strait](#)

Isn't it like her to look so pretty like everything is alright
Like nobody cried all last night
Look at the sun, oh how it's shinin'
Almost a picture perfect day like nobody's goin' away
If it were just a little colder she might need me to hold her
Wouldn't you know it the weather's perfect, there's not a cloud in the sky
It ain't rainin' or snowin', there's no cold wind blowin'
It's a beautiful day for goodbye
Isn't it like me to wait 'til she's leavin' to know how I feel
I love her and I always will
In a second or a moment forever can change
So I'm standing here prayin' for rain
If it were just a little colder she might need me to hold her
Wouldn't you know it the weather's perfect, there's not a cloud in the sky
It ain't rainin' or snowin', there's no cold wind blowin'
It's a beautiful day for goodbye
Wouldn't you know it the weather's perfect, there's not a cloud in the sky
It's a beautiful day for goodbye
