warm (feat. Raury)

The Neighbourhood

I'm never satisfied, it's never good enough,
I always see the right formula for puttin' up,
I try to love you baby, in every way, every way,
I try to satisfy you, honey, but you wouldn't stay, wouldn't stay,
I'm like a clothing rack, you hang it out on me,
If you really want someone else, I'll find some company,
I'm in a hurry out, wont worry 'bout a little hiccup
Why can't you see, I am sick of it... all?I try to love you baby, in every way, every way,
I try to satisfy you, honey, but you wouldn't stay, wouldn't stay,
I try to love you baby, in every way, every way,
I try to satisfy you honey, but you wouldn't stay, wouldn't stayI knew it was wrong, but I thought about you still,Girl, I do not know where you're running to,
I'm your finish line, I'm the one for you,
If you do me wrong, if I'm cruel to you,
You're a fool for me, I'm a fool for you,
Shawty been talking 'bout her new options,
But options do not mean they are competitions,
