

# Into the Avalanche

## Springtime Carnivore

Rope me in, run the gate  
Read my mind  
Be the one I've been  
Waiting long to find Stand up straight, if we fight  
Don't just let me win  
Be the mountain I can climb  
Again and again If we're side by side  
I'll come out for mine  
Into the avalanche  
We may not return  
We may never burn  
But we go on ahead  
Into the avalanche  
Ah, ah, ah See my face, see right through me  
So I don't have to say  
Show me what I should do  
With all this pain Don't control me, Don't try to own me  
And don't keep score (don't keep score)  
And I'll be waiting every night  
At your door  
If we're side by side  
I'll come out for mine  
Into the avalanche  
We may not return  
We may never burn  
But we go on ahead  
Into the avalanche Ah, ah, ah  
Ah, ah, ah
