Black Smokehat

Jonathan Boulet

You and I are one and the same
What a waste

Don't forget your surrogate face
What a waste

I?m not asking for your blood
Oh my god you are dead
Oh my god you are dead
Oh why?

Found your son was living in shame
What?d he say?

Got my reasons to stay the same
What a waste

I just want some justice done
Oh my god you are dead
Oh my god you are dead
Oh why?

Wait
Before you?re on your own
You coming up
I bite it off

I just want some justice done
I?m not asking for your blood

Oh my god you are dead
Oh my god you are dead
Oh why?
