## Jonathan Boulet

You and I are one and the same  
What a waste

Don't forget your surrogate face  
What a waste

I'm not asking for your blood  
Oh my god you are dead  
Oh my god you are dead  
Oh why?

Found your son was living in shame  
What'd he say?

Got my reasons to stay the same  
What a waste

I just want some justice done  
Oh my god you are dead  
Oh my god you are dead  
Oh why?

Wait  
Before you're on your own  
You coming up  
I bite it off

I just want some justice done  
I'm not asking for your blood

Oh my god you are dead  
Oh my god you are dead  
Oh why?
