I Wish You Love

å°•é‡Žãƒªã‚µ

Goodbye, no use leading with our chins, this is where our story ends,
Never lovers ever friends.
Goodbye, let our hearts call it a day, but before you walk away,
I sincerely want to say.

I wish you bluebirds in the spring, to give your heart a song to sing,
And then a kiss, but more than this, I wish you love.
And in July, lemonade to cool you in some leafy glade,
I wish you health, and more than wealth, I wish you love.
My breaking heart and I agree that you and I could never be,
So with my best, my very best, I set you free.
I wish you shelter from the storm, a cozy fire to keep you warm,
Most of all, when snowflakes fall, I wish you love.
