

Big Shot

The Pack A.D.

I think I said "the end is coming"
You said "that's great; I'll be king"
Well you're a jerk, quite a piece of work
I think it's fun that you're so dumb
It is such a lonely world
when you are around
So screw your indignity, ohh
You're no Chips Rafferty, ohh
Like that ape on the tower, ohh
Crushin' planes by the hour, ohh
Ooh, big shot
Ooh, big shot
Ooh, big shot
Ooh, big shot
Your mono drama is killin' me
just call and get some therapy
Here's a smile face so you know I can
I can play my game while I share
It is such a lonely world
when you are around
So screw your indignity, ohh
You're no Chips Rafferty, ohh
Like that ape on the tower, ohh
Crushin' planes by the hour, ohh
Ooh, big shot
Ooh, big shot
