

Adore

Paramore

I don't mean to run
But every time you come around
I Feel more alive, than ever
And I guess it's too much Maybe we're too young
And I don't even know what's real
But I know I never Wanted anything so bad
I've never wanted anyone so bad If I let you love me
Be the one adored
Would you go all the way?
Be the one I'm looking for If I let you love me
(If I say)
Be the one adored
(It's okay)
Would you go all the way?
(You can stay)
Be the one I'm looking for Help me come back down
I'm high above the clouds
You know I'm suffocating
But I blame this town Why do I deny
The things that burn inside?
Down deep I'm barely breathing
But you just see a smile And I don't wanna let this go
Really I just want to know If I let you love me
Be the one adored
Would you go all the way?
Be the one I'm looking for If I let you love me
(If I say)
Be the one Adored
(It's okay)
Would you go all the way?
(You can stay)
Be the one I'm looking for If I let you love me
Be the one adored
Would you go all the way?
Be the one I'm looking for
Be the one I'm looking for If I let you love me
(If I say)
See the one adored
(It's okay)

Would you go all the way?

(You can stay)

Be the one I'm looking for
