

Let It Rain

Eric Clapton

The rain is falling through the mist of sorrow that surrounded me
The sun could never thaw away the the bliss that lays around meLet it rain, let it rain
Let your love rain down on me
Let it rain, let it rain
Let it rain, rain, rainHer life was like a desert flower burning in the sun
Until I found the way to love, it's harder said than doneLet it rain, let it rain
Let your love rain down on me
Let it rain, let it rain
Let it rain, rain, rainNow I know the secret, there is nothing that I lack
If I give my love to you, you'll surely give it backLet it rain, let it rain
Let your love rain down on me
Let it rain, let it rain
Let it rain, rain, rainLet it rain, let it rain
Let your love rain down on me
Let it rain, let it rain
Let it rain, rain, rain
