Given Up

J.C. Lodge

Waking in a sweat again
Another day's been laid to waste
In my disgraceStuck in my head again
Feels like I'll never leave this place
There's no escape
I'm my own worst enemyI've given up
I'm sick of feeling
Is there nothing you can say?Take this all away
I'm suffocating!
Tell me what the fuck is
Wrong with me?I don't know what to take
Thought I was focused but I'm scared
I'm not preparedI hyperventilate
Looking for help somehow somewhere
And no one cares
I'm my own worst enemyI've given up
I'm sick of feeling
Is there nothing you can say?Take this all away
I'm suffocating!
Tell me what the fuck is
Wrong with me?
God!Put me out of my misery
Put me out of my misery
Put me out of my
Put me out of my fucking misery!I've given up
I'm sick of feeling
Is there nothing you can say?Take this all away
I'm suffocating!
Tell me what the fuck is
Wrong with me?
