

# EVERYTHING I OWN

## Ken Boothe

You sheltered me from harm  
Kept me warm, kept me warm  
    You gave my life to me  
    Set me free, set me free  
    The finest years I ever knew  
Is all the years I had with youAnd I would give anything I own  
    I'd give up my life, my heart, my own  
    And I would give anything I own  
Just to have you back againIs there someone you know  
    That won't let you go  
    And taking it all for granted?  
    You may lose them one day  
    Someone takes them away  
And you don't hear the words they sayAnd I would give anything I own  
    I'd give up my life, my heart, my own  
    I would give anything I own  
    Just to have you back again  
Just to talk to you words againIf there's someone you know  
    That won't let you go  
    And taking it all for granted?  
    You may lose them one day  
    Someone takes them away  
And you don't hear the words they sayAnd I would give anything I own  
    I'd give up my life, my heart, my own  
    And I would give anything I own  
    Just to have you back again  
    Just to talk to you words again  
    Just hold you once again
