

# Twice in a Lifetime

[Paul McCartney](#)

Now I know that  
It can easily happen to someone like me  
I don't want to step on anybody's toes  
Who knows how to find love  
Think before you give your answer  
Who knows what a mystery may bring  
Once in a life I'm a lucky man  
If I can find the kind of love  
That's gonna last for me  
Twice in a lifetime  
Is one of those unspoken dreams  
We usually reserve for fantasy  
Who knows how we find love  
Stop before you give your answer  
Who knows when a mystery begins  
I know, I know  
I know because it's happening to me  
I know, I know  
Twice in a lifetime  
Is one of those unspoken dreams  
We usually reserve for fantasy  
Who knows how we find love  
Stop before you give the answer  
Who knows when a mystery begins  
I know, I know  
I know because it's happening to me  
I know, I know
