You & Me

ç”°æ•‘ã‚†ã•‹ã‚Š feat. motsu from m.o.v.e

I mean, I just need to talk to you right now
(La, la, la, la, la, la, la, la, la, la, la)
Yeah, yeah
(La, la, la, la, la, la)
You and me, you and me, where I begin
(La, la, la, la, la, la)
What?
(La, la, la, la, la, la)
Yeah
(La, la, la, la, la, la)
You and me, you and me, yeah
Sunny day, age 14
When I first saw you, you was lickin' a ice cream
Knew you had freak in ya blood from the get go
Yo you showed a nigga some love from the get go
Cute too, so you ain't get caught in the image
Friends got in, I shouldn't of tossed out our business
So religious, in other words
Sorry, couldn't explain the way I was feelin'
Back to the story
'Member when we used to hit concerts
Mainly Jig and Nores, tryin' to get on, that was excitin' for me
And excitin' for you, that was somethin' to see
Plus, you had ass and I loved that
Back in this I was ya boyfriend, I rubbed that
Tryin' to get on, girl I achieved that
Everybody hands out, from you I received that
Don't need no ice and no Bentley
(Okay)
I just wanna have you here wit me
(Okay)
I'm there for you, always be true
It's just you and me, you and me
(I can't promise that)
You don't have to go double platinum
(Okay)
I'll be there, I'm always gon' back 'em
(Okay)
I'm there for you, always be true

It's just you and me, you and me
(Yeah, I can't promise that)
So, I know just because
(What)
How you said them words, it had to be love
Basically, it had to be us
(Right)
Against the world not givin' two fucks
But no soon as shit picked up
I start actin' different so you switched up
I don't blame you but I blame us
(Alright)
Kept shit smooth even when it got rough
But, I don't see that no more
Got one half hour wait, hope he sore
(But I hope he sore)
What the fuck is hopin' for
(Tell him)
When I can't be the man I used to be no more
No time, we don't go out to eat no more
Barely home, you don't see me 'fore you sleep no more
You love me and I know you ain't playin'
'Cuz the first week gone, you callin' me sayin'
Don't need no ice and no Bentley
(Okay)
I just wanna have you here wit me
(Okay)
I'm there for you, always be true

It's just you and me, you and me
(I can't promise that)
You don't have to go double platinum
(Okay)
I'll be there, I'm always gon' back 'em
(Okay)
I'm there for you, always be true
It's just you and me, you and me
(Yeah, I can't promise that)
Business got good but we got bad
Money got happy but we got sad
But in the midst, we had a daughter
Even though we float unclear like ocean water
Came home, two bags of Fendy
It was gone that started to offend me
Child support hit that really offend me

Puffy was right, it's all about the Benjy's
Bitter now 'cuz the love's still in me
In my boxers on the couch, sippin' Remy
Thinkin' that she need to be killed like Kennedy
Then I listen to, I got the remedy
After all I still give you what you need
'Cuz we got a daughter to feed
(Got that)
Though you supposed to be here at least you sold me that
Why the fuck did I listen when you told me that
(Stupid)
Don't need no ice and no Bentley
(Okay)
I just wanna have you here wit me
(Okay)
I'm there for you, always be true
It's just you and me, you and me
(I can't promise that)
You don't have to go double platinum
(Okay)
I'll be there, I'm always gon' back 'em
(Okay)
I'm there for you, always be true
It's just you and me, you and me
(Yeah, yeah I can't promise that)
Don't need no ice and no Bentley
(Okay)
I just wanna have you here wit me
(Okay)
I'm there for you, always be true
It's just you and me, you and me
(I can't promise that)
You don't have to go double platinum
(Okay)
I'll be there, I'm always gon' back 'em
(Okay)
I'm there for you, always be true
It's just you and me, you and me
(Yeah, I can't promise that)
(La, la, la, la, la, la, la, la, la, la, la, la)
Uh, you know, you feel my story, I feel it
Write me or somethin' ya know what I'm sayin'
(La, la, la, la, la, la,La, la, la, la, la, la)
Or I'll be in a town near you or
(La, la, la, la, la, la, la, la, la, la, la, la)

Or your town or whatever ya know
Come see me and come tell me that ya know
(La, la, la, la, la, la, la, la, la, la, la, la)
It's been a long time travelin', though you was supposed to be here
So uh, ya family can't say
