Sincere Relation

Bee Gees

George was born somewhere
Inside London town
Working as he grew
For that extra poundRespected by all
He married and made a home
To give his children
More than he had knownBut then he died
Without an explanation
He never lied
A very sincere relationYears before a fire
Sent him in the street
It took him months of work
To make ends meetBut then he died
Without and explanation
He never lied
A very sincere relation
