

Otherside

Viva Brother

I left my head at the end
Of the phone last night
I left my head by the side
Of your bedside light
I can't sleep
'Cause I'm cutting my teeth on you
'Cause I'm thinking about'Cause I've got a job
 But I don't work
 No, I don't work
 And I've got a car
 But I don't drive
So I'll see you on the other sideI make my bed on the floor
 Where I stood last night
 I make my bed in the glow
 Of the morning light
 I can't sleep
'Cause I'm cutting my teeth on you
'Cause I'm thinking about'Cause I've got a job
 But I don't work
 No, I don't work
 And I've got a car
 But I don't drive
So I'll see you on the other sideI want, you want him dead
 She said, nothing at all
 I want, you want him dead
 She said, nothing at all
 I want, you want him dead
 She said, nothing at all
 Nothing at all
Yeah! Yeah! Yeah!'Cause I've got a job
 But I don't work
 No, I don't work
 And I've got a car
 But I don't drive
So I'll see you on the other side
So I'll see you on the other side
Yeah I'll see you on the other side
Yeah I'll see you on the other side
