

# Golden Belt

**T. Rex**

Well baby, baby don't ya know  
Your hair's a lair and one to spare  
I need you girl  
Oh yeah.\*Be good you know your trips  
You're so rare, there's no one there  
Hold my head between your knees.\*\*Hey baby jump in your car  
We'll go to the sun and have us some fun  
I love you child  
Oh yeah.Long day runs into night  
Twilight child, you drive me wild  
Don't scare me now  
Oh yeah.Gold belt, strap round my head  
Rock `n` Roll on the oceans floor  
Now get down girl  
Oh yeah.\*\*\*Be glad to get there  
My love is strong like a mist at dawn  
Don't get me wrong  
Oh yeah yeah yeah.\*\*\*\*\*Repeat \*\*Repeat \*\*\*Repeat \*\*\*\*Repeat
