

At Least I Ain't Lonely Yet

Dave Fenley

My buddies all dared me
Get up there and sing
But you know karaoke
Ain't ever been my thing
I miss all the high notes
On benny and the jets
But at least I ain't lonely yet
No, at least I ain't lonely yet

Tonight I ain't holdin' nothin' back
Yeah, we both know
My heart ain't made of stone
Who knows how much time
I'm gonna have before your memory
Finds me alone

Old bad habits have never really died
You were the reason that I put 'em all behind
Well I might've broke down
And bummed a cigarette
But at least I ain't lonely yet
No, at least I ain't lonely yet

Yeah, tonight I ain't holdin' nothin' back
Yeah, we both know my heart
Ain't made of stone
Who knows how much time
I'm gonna have before your memory
Finds me alone

The second prettiest girl
I ever did see
Was lookin' for love
And I let her put it on me
Wakin' up ain't the same
With her head on my chest
But at least I ain't lonely yet
No, at least I ain't lonely yet
Yeah aye aye aye aye
