

# Frightened (Album Version)

[Toby Lightman](#)

Viewing lights under the surface  
Knowing I'm found  
Can't run away from  
Can't make it undone While reaching out for anything  
Screaming without a sound  
How did I find you  
How was I supposed to try [Chorus]  
I'm frightened by the love that's in you  
But it's alright  
Oh and I'm frightened by the love that's in me  
But I know, it's alright The only one who understands  
The only one who gave me  
Something to belong to  
With nothing left to undo With you, everything's beautiful  
And I'm not scared to be  
Falling into unknown  
With you, I find the strength to carry on [Chorus] It's alright
