

My One and Only Love

Jamison Ross

The very thought of you makes my heart sing

Like the April breeze on the wings of spring

YOu appear in all your splendor

My one and only Looove, My loove

Choir : One and only one and only one and only love *2The shadows off and spread their mystic charms

In the huch of the night while you're still in my arms

I feel your lips so warm and tender

My one and only love, my loooveThe touch of your hand is like heaven

Heaven that I never know

The blush on your cheek whenever I speak

Tells me that you are my own, so baby

YOu feel my eager heart which such desire

Every kiss you give sets my soul on fireOooh

CHoir : I give my heart in sweet surrender *3

I give my love my everything

OOoh my love
