

Moof-Kash-Ka

House of Large Sizes

Well all of the lies and the hope and the time and for it this one counts

Lies in the side as the (?) I had to sneak a look at you, oh yeah

You don't know what it's like

I have no idea

Whoa-oo-oh-oh

My Mom's shotgun blasts through the holes in this life we build

Lies in the side as the (?) I had to sneak a look at you

You don't know what it's like

(?)

[repeat 2nd verse]

You don't know what it's like

I need some new ideas

Whoa-oo-oh-oh

You don't know what it's like

You don't know what it's like
