

To The Birds

Suede

Don't take your life 'cos your bicycle won't fly
You may be going to heaven tonight
Don't spoil the show for the love of some albino
You won't be going to heaven alone I see her by the window
Waiting every night
So I wouldn't give a shit if my bicycle's in bits
I think I'm going to heaven on it I see her by the window
Pour the poison from you
I'll go there through the window
In my sixteen hole boots And I'll sing to the birds there at my side
And I'll sing to the birds who will save my life Don't take your life 'cos your bicycle won't fly
You may be going to heaven tonight
I wouldn't give a shit if your bicycle's in bits
I think I'm going to heaven on it I see her by the window
And I see there's a day
We'll walk out through the traffic
Pour the poison away So I'll sing to the birds there at my side
And I'll sing to the birds who will save my life I will lie down for her
I will lie down for her
I will lie down for her
I will lie down for her I will lie down for her
I will lie down for her
