Staying Alive

The Whigs

"We're gonna beat it," is what he said.
Peter brown's on the ground and i think he's deadI know the feeling
I've been there too
They put you down long enough
That you think it's trueSo tell me the good part and repeat it
You're never that angry when you're sadSo if you mean it
I mean it too
Peter brown always says that it's nothing new
He won't repeat it because its wrong
The only thing in your head without another songSo if you believe me
Would you tell me?
You're never that angry
When you're madStaying alive way too long
Wind me up / push me along
Staying alive way too long
Wind me up
Wind me upSo if you want me
I want you too
Peter brown always says that he's thirty two
An hour later, it's all a dream
I'm wide awake and i think that i wanna leave...So tell me a story and repeat it
You're never that angry
If you're mad
