

# Still Life

## Iron Maiden

Take a look in the pool and what do you see  
In the dark depths there faces beckoning me  
Can't you see them it's plain for all to see  
They were there oh I know you don't believe me Oh, I've never felt so strange  
But, I'm not going insane I've no doubt that you think I'm off my head  
You don't say but it's in your eyes instead  
Hours I spend out just gazing into that pool  
Something draws me there I don't know what to do Oh, they drain my strength away  
Oh, they're asking me to stay Nightmares, spirits calling me  
Nightmares, they won't leave me be All my life's blood is slowly draining away  
And I feel that I'm weaker every day  
Somehow I know I haven't long to go  
Joining them at the bottom of the pool Now, I feel they are so near  
I, begin to see them clear Nightmares, coming all the time  
Nightmares, Will give me peace of mind Now it's clear and I know what I have to do  
I must take you down there to look at them too  
Hand in hand then we'll jump right into the pool  
Can't you see not just me they want you too Oh, we'll drown together  
It, will be forever Nightmares, forever calling me  
Nightmares, Now we rest in peace
