

Came Back Haunted

Nine Inch Nails

The throat is deep and the mouth is wide
Saw some things on the other side
Made me promise to never tell
But you know me, I can't help myself Now I've got something you have to see
They put something inside of me
The smile is red and its eyes are black
I don't think I'll be coming back I don't believe it
I had to see it
I came back haunted
I came back haunted I said goodbye but I
I had to try
I came back haunted
C-c-c-came back haunted Everywhere now reminding me
I am not who I used to be
I'm afraid this has just begun
Consequences for what I've done, yeah I don't believe it
I had to see it
I came back, I came back haunted
C-c-c-came back haunted I said goodbye but I
I had to try
I came back, I came back haunted
I c-c-c-came back haunted I don't believe it
I had to see it
I came back, I came back haunted
C-c-c-came back haunted I said goodbye but I
I had to try
I came back, I came back haunted
C-c-c-came back haunted They tried to tell me but I
I couldn't stop myself and I
I came back, I came back haunted
C-c-c-came back haunted Just can't
Stop
Came back ha-ha-haunted
[x9] Just can't
Stop
