

# Do You Love Me?

## Kiss

You really like my limousine  
You like the way the wheels roll  
You like my seven inch leather heels  
And goin' to all of the shows, but Do you love me? Do you love me?  
Do you love me? Really love me? You like the credit cards and private planes  
Money can really take you far  
You like the hotels and fancy clothes  
And the sound of electric guitars, but Do you love me? Do you love me?  
Do you love me? I mean like do you really love me? You really like rock 'n roll  
All of the fame and the masquerade  
You like the concerts and studios  
And all the money, honey, that I make, but Do you love me? Do you love me?  
Do you love me? Really love me? Your backstage pass and black sunglasses  
Make you look just like a queen  
Even the fans, they know your face  
From all of the magazines, but Do you love me? Do you love me?  
Do you love me? Really love me? I wanna know do you love me? Do you love me?  
Do you love me? I mean like do you really love me I wanna know do you love me? Do you love me?  
Do you love me? I mean like do you really love me I want you to, I need you to  
And you know I'm so tired of everybody sayin' it  
And you know, I just gotta know if you really really really  
Really love me, so come on Do you love me? I need you to  
Do you love me? I want you to  
Do you love me? I need you  
Really love me? I wanna know do you love me do you, do you?  
Do you love me? I just got to have some love  
Really love me? I just got to have some love  
I just got to have some love
