

# Man

## Pentagram

You drive me insane  
Ain't got time for you  
So clear outta here baby  
Cuz I'm comin'on through  
You run me into the ground  
And I ain't comin'up  
Take a hint from me, baby  
So put out or shut up  
I'm a man, I'm a man.  
Now listen here, honey!  
I got a message for you  
I want a woman  
Who can cook, clean and screw  
If you can't measure up  
I don't want you around  
So you better pack up  
Or you better lay down  
I'm a man, I'm a man.
