

# Let Me Go

HAIM

Get me out  
Get me in  
I gave you everything I could give  
You try to take  
And you try to make  
But take on everything you can break  
If you go so easily  
Go on, get out when you leave  
I won't wait  
I won't want  
Until the day you're back again Let me out  
Let me in  
I've given up  
Not given in  
'cause together we are not one  
We are nothing  
We're holding on and on  
Together now, forever then  
Go ahead  
Don't you let me in  
But i won't wait  
I won't want  
Until the day you're back again Let me go  
You know i'm not one for leaving  
Let me go  
You know i'm nothing without your love (no)  
I know i'm nothing without your love  
So let me go  
You know i'm not one for leaving  
Let me go  
You know i'm nothing without your love (no)  
I know i'm nothing without your love  
So please let me go! Let me out  
Let me in  
I gave you everything I could give  
You try to take, and you try to make  
You can take on everything you can make  
If you go so easily  
Go on, get out, when you leave

I won't wait  
I won't want  
Until the day you're back again.Let it out  
Let it in  
I'm giving up, not giving in  
Cause together we are not one, we are nothing, holdin' on and on  
Together now, forever then  
Go ahead, don't you let me in  
I won't wait  
I won't want  
Until the day you're back again.Let me go  
You know I'm not one for leaving  
Let me go  
You know I'm nothing without your love  
You know I'm nothing without your love, no  
Cause you know that I'm not one for leaving  
I'm not one for leaving  
But I'll go on believing  
hey, I'll go on believing  
That I'm not one for leaving,  
no, I'm not for leaving  
No, I'm not one for leaving,  
no, I'm not one for leaving  
So let me goYou know I'm not one for leaving  
Let me go  
(Let me go)  
You know I'm not one for leaving  
Let me go  
(Let me go)  
You know I'm not one for leaving  
Let me go  
(Let me go)  
Let me go  
(Let me go)  
Let me go
