

We Can Try

Between The Trees

What would you say if I,
Told you that all I thought about,
Is you since you've been gone.

I wish someday somehow,
I could turn this world right back around,
and the mistakes I've made.

So that I could say to you that:
I know things aren't quite what like what they used to be.
Different faces, different places
Yea, We can try,
Oh yea, we can try.

What would you say if I,
Told you that I'm not giving up,
However long it takes.

Its clear that things have changed,
Since when we started but we can't
Just walk away babe.

So I'm telling you that:
I know, things aren't quite like what they used to be.
Different faces, different places,
Yea, we can try,
Oh yea, we can try.
