Long Day

Matchbox 20

Its sitting by the overcoat
The second shelf, the note she wrote
That I cant bring myself to throw away
And also reach she said for no one else but you
'Cause you wont turn away when someone else is goneIm sorry bout the attitude
I need to give when Im with you
But no one else would take this shit from me
And Im so, terrified of no one else but me
Im here all the time, I wont go awayAnd its me, yeah well I cant get myself to go away
Its me, and I cant get myself to go away
Oh God I shouldnt feel this way nowReach down your hand in your pocket
Pull out your hope for me
Its been a long day, always, aint that right?
And no Lord your hand wont stop it
Just keep you trembling
Its been a long day, always, aint that right?Well Im surprised that if youd believe
In any thing that comes from me
I didnt hear from you or from someone else
And youre so, set in life man, a pisser theyre waiting
Too damn bad you get so far, so fast, so what? So longReach down your hand in your pocket
Pull out your hope for me
Its been a long day, always, aint that right?
And no Lord your hand wont stop it
Just keep you trembling
Its been a long day, always, aint that right?
Oh, ain't that right?Its me, yeah, well I cant get myself to go away
Well its me, yeah, well I cant get myself to go away
Oh God I shouldnt feel this way nowReach down your hand in your pocket
Pull out your hope for me
Its been a long day, always, aint that right?
And no Lord your hand wont stop it
Just keep you trembling
Its been a long day, always, aint that right?Reach down your hand in your pocket, well
Reach down your hand right now
It's been a long day, always ain't that right?
Reach down your hand in your pocket, well
Reach down your hand right now
It's been a long day, always ain't that right?Oh ain't that right?
Well ain't that right, right, right, right oh child

Right, right, right oh well, oh right, oh child?
I want
