Take That to the Bank

Shalamar

Take that to the bank
Take that to the bankA long time we stayed together
Been through the roughest weather, you and I
Still rich with love
We never had to borrow
And baby, only we know whyI'm so glad I saved my love for you
And I did what I had to do
I invested my heart so free
For what you gave meOpen your account to me
?Cause I'll give you security, my love
Take that to the bank
My interest is strong
I got a love you can count on, baby love
Take that to the bankBest believe I shopped around
Good insurance you have found in me
Don't you worry
No one can steal my heart
Our contract can't be torn apart
That easily?Cause we build a strong love affair
On investments of equal share
Two hearts that beat as one
Just look what love has doneDime in the socket
Just like money in my pocket, baby love
Take that to the bank
I know how to treat a man
With me you're in good hands, baby love
Take that to the bankKeep savin', keep buildin' (Baby)
That interest for our love
Take that to the bank
Keep savin', keep buildin' (Sugar)
That interest for our love
Take that to the bank(Huh) Save on love
Save it for me, baby
(Huh) Save on love, yeahTake that to the bank
Take that to the bankKeep savin', keep buildin'
That interest for our love {Love}
Take that to the bank
Keep savin', keep buildin'
That interest for our love {Love}

Take that to the bankOpen your account to me
?Cause I'll give you security, my love
Take that to the bank
My interest is strong
I got a love you can count on, baby love
Take that to the bank
