

# The Crawler

[Ty Segall](#)

I am the crawler  
Who wants your daughter  
Feel we oughta  
And you can't stop herLet's go, let's go tonight  
And bask in the moonlightAnd your daughter  
And your brother  
And your mother  
Just your daughterLet's go, let's go tonight  
And bask in the moonlightOh, ohOn the corner  
And your daughter(?) loversThey last forever
