

# Stupid

## Chris Cacavas

Night lift up the shades  
Let in the brilliant light in morning  
Steady me now  
For I am weak and starving for mercy  
Sleep has left me alone  
To carry the weight of unravelling where we went wrong  
It's all I can do to hang on  
To keep me from falling  
Into old familiar shoes  
How stupid could I be?  
A simpleton could see  
That you're no good for me  
But you're the only one I see  
Love has made me a fool  
Set me on fire and watched as I floundered  
Unable to speak  
Except to cry out and wait for your answer  
But you come around in your time  
Speaking of fabulous places, create an oasis  
That dries up as soon as you're gone

You leave me here burning  
In this desert without you  
How stupid could I be?  
A simpleton could see  
That you're no good for me  
But you're the only one I see  
Everything changes  
Everything falls apart  
I can't stand to feel myself losing control  
In the deep of my weakness I know  
How stupid could I be?  
A simpleton could see  
That you're no good for me  
But you're the only one I see  
How stupid could I be?  
A simpleton could see  
That you're no good for me  
But you're the only one I see
