

# Real Love

Kirk Franklin

Look in my eyes and you'll see  
The way that real love used to be  
When the flowers bloomed in the springtime  
And happiness was all mine  
It's hard to let my feelings show  
But I've got to let somebody know  
About the love that Jesus has given me  
He loosened my shackles and He set me free  
Is this a dream or is this reality  
Have I finally found someone who loves me  
I just want to know if  
Have you ever loved somebody  
Will you ever love somebody  
The way that Jesus loves you  
Have you ever loved somebody  
Will you ever love somebody  
The way that Jesus loves you  
Over and over I ask myself  
Will there ever be anyone else  
Who can give me so much joy and peace  
And make every day, oh so sweet  
I searched all over, couldn't find one  
Till I met His only begotten Son  
At first I didn't understand

Till I saw the nail prints in His hands  
Is this a dream or is this reality  
Have I finally found someone who loves me  
I just want to know, I just want to know  
I just want to know if  
Have you ever loved somebody  
Will you ever love somebody  
The way that Jesus loves you  
Have you ever loved somebody  
Will you ever love somebody  
The way that Jesus loves you  
Help me sing it Family  
He loves me, He loves me, He loves me  
He loves me, He loves me, He loves me

He loves me, He loves me, He loves me

He loves me

Have you ever loved somebody

Will you ever love somebody

Have you ever loved somebody

Will you ever love somebody

Have you ever loved somebody

Will you ever love somebody

The way that Jesus loves you
