

# All the Way 4U

## Poets of the Fall

Seems to matter what I do, so I'm saving this for you  
'Cause it seems to be the last piece there is  
And you haven't had a chance yet to taste this  
Fragments of a life you shouldn't miss  
Seems to matter what I say, so I'll hold my tongue at bay  
And rather use my mouth to kiss your frown away  
So your doubts no longer darken your day  
So you can hold your head up high come what may  
So please remember that I'm gonna follow through all the way  
'Cause it seems to matter where I go, I will always let you know  
That the place where I am is never far  
You know, you're not alone, don't be alarmed  
I'll find you no matter where you are  
So please remember that I'm gonna follow through all the way  
Oh my love,  
if it's all I can do, I'll take the fall for you  
'Cause I will soar when I lay down with you and give my all for you
