

Keep Me

Patrick Dopson

You are Jesus.
You're my strong tower- Jesus.
My strength this hour- Jesus.
Youâ€™re my deliverer- Yes you are-Jesus.
My hope and my future Jesus
Source and my shelter- Jesus.
Youâ€™re my savior, keeper my friend

Lord, I need you to take my hand and see me through
woooo
And now I need your grace, to find that place, you call me to.
You crafted me in secrecy and I know thereâ€™s plans that you have for me.
Protect me from my enemies
I know that you will rescue me as I rest in you, you will keep me.

You are Jesus.
You're my strong tower -Jesus.
My strength this hour- Jesus.
Yes you are, youâ€™re my deliverer- yeah Jesus
My hope and my future Jesus
My source and my shelter- Jesus. Yes you are, Yes you are- My savior, keeper my friend
Yes you are!
You will finish what you started
Complete what youâ€™ve begun
Though the enemy has lied and said Iâ€™m done
But I know you better than that. Youâ€™ve kept me safe this far. Itâ€™s time for you to show just who you are.
Cause you are Jesus

You're my strong tower- Jesus.
My strength this hour- Jesus.
Lord, Youâ€™re my deliverer- Jesus
My hope and my future Jesus
My source and my shelter- Jesus.
Yes you are my savior ,keeper
You're my strong tower- Jesus.
My strength this hour- Jesus.
Oh and day to day, youâ€™ll never change
Every day remains the same
My hope and my future

My source and my shelter- Jesus
Oh oh oh, My savior and keeper my friend (repeat)
There is not a friend like the lowly Jesus
Savior, keeper my friend
What a friend we have in Jesus
you're my savior, keeper my friend
